ABOUT US

Founded in Griffith, NSW, with roots in luxury home building and construction since 1988, ZEDD has built a reputation for excellence, precision, and innovation.

Recognising a gap in the market, we invested heavily in research and development to elevate the standard of luxury cabins. Our mission was clear; to raise the bar by delivering quality, bespoke design, and craftsmanship that discerning clients expect.

What began as a family business led by Stuart John and his three sons, Lachlan, Jarred, and Oakley, has grown into a dedicated team including Tahlia, Gonzalo and Leon. Together, we share a commitment to creating something extraordinary.

At ZEDD, we build bespoke, architecturally-designed luxury cabins with uncompromising attention to detail. Every cabin is crafted to provide a high-end guest experience, enhancing your brand's prestige.

Our approach is simple; we don't take shortcuts. Every build is a tailored solution, designed to integrate seamlessly into its surroundings, from wineries and resorts to holiday parks and unique destinations.

Why ZEDD Stands Apart:

- Family-Owned & Operated: Built on dedication, passion, and integrity.
- Bespoke Design: Tailored to your vision, purpose, and environment.
- Uncompromising Quality: Engineered to the highest standards for luxury, durability, and sustainability.
- Elevating Guest Experience: More than accommodation; we create an experience.

"A family team is a powerful force. With a shared sense of purpose, we are equally invested in the success of helping wineries and holiday parks thrive."
